

REMARKS

The April 11, 2007 office action made a provisional obviousness-type double patenting rejection of all pending claims in view of the claims in US 10/224,299. To expedite prosecution, the applicants submit a terminal disclaimer, thus obviating the rejection.

As stated in the office action, all claims are allowable as a result of the filing of the terminal disclaimer. It therefore is respectfully submitted that the present application is in condition for allowance, and such action is earnestly solicited.

The Applicant hereby requests that any extension-of-time or other fee required for timely consideration of this application, but that is not submitted herewith, be charged to Deposit Account No. 19-4972. The Examiner is encouraged to telephone the undersigned attorney to discuss any matter that would expedite allowance of the present Application.

Respectfully submitted,

/Steven G. Saunders/
